Guide to Fitting Out Your Vehicle

1 Select your products as below:

- Floors
  - Select your floor on page 4
- Drawer Units
  - Identify your vehicle model from the chart on page 6-7
  - Select your drawer unit
- Shelving
  - Identify your vehicle model from the chart on page 14-15
  - Select your shelving combination
- Accessories
  - Select your accessories on page 16-20
- Shelf Packages
  - See our range of Shelf Packages on page 21-24

2 Chose your installation option - flat pack or fully installed by our experienced fitters

3 Get in touch with our team to request a quotation

VQuip Vehicle Fitouts are about providing you with solutions for all types of commercial vehicles to suit your individual requirements.

Our shelving products are the key to your solution. Fully crash tested in accordance with Australian Design Rules, this hard working product comes with a range of accessories.

If you require a complete or custom fitout please give us a call on our free call number - 1800 847 687

Vehicle Floors

Our flooring is made from the same coated hardwood ply commonly used by European Vehicle manufacturers and local truck body builders.
Each floor is specially tailored to fit the make and model of your vehicle and may be supplied unfitted or installed by one of our network of local distributors.

Hardwood Ply Surface

Rubber Surface

Carpet Surface

Features:

Tough and Long Lasting
Made from 12mm hardwood ply created using a phenol formaldehyde resin and coated in a Phenolic impregnated resin film, ensuring a long-life wear resistant surface.

Pre-cut to fit
Locally measured and CNC cut. We guarantee a perfect fit to your vehicle. Pre-drilled to safely secure to the floor.

Liquid resistant
Resistant to water, diluted acids, fuel, lubricants and solvents.

Easy care
Always looks great and is easy to clean

Hardwood Ply Surface
Our non slip hardwood ply surface is hard wearing and will assist with load stability.

Rubber Surface
Professionally cut to cover the entire cargo area. May be supplied with a plywood floor to be fitted direct.

Carpet Surface
Carpet is installed with a plywood floor or fitted to false floors or drawer tops.

Vinyl Surface
Heavy Duty Slip Resistant Floor Covering adhered to a plywood floor.

Please give us a call for a quotation including delivery.

Vehicle Drawer Units

VQuip vehicle drawer units are lightweight and cost competitive. Made of hardwood ply, bonded with phenol formaldehyde resin, they have very high impact resistance and are water repellent. All our vehicle drawers are fitted with handles and compression locks. A black phenol coating with HPL fascia on your drawer units ensures your vehicle fitout will always look great!

Our vehicle drawers are customised to fit neatly between the wheel arches of your vehicle. They can also be fitted with side wings to cover the space over the wheel arches to create a false floor.

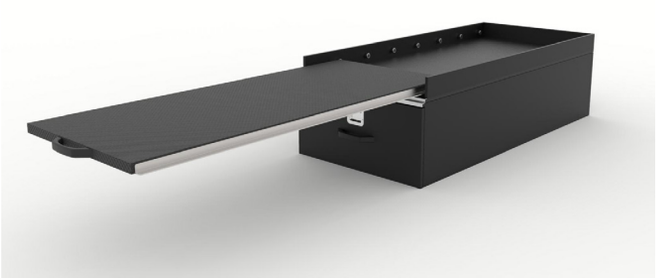
Single Side Drawer

Twin Side Drawers

Twin Rear Drawers with Wings

Three Drawer Rear Unit with Wings

Custom Drawers



Slide Out Shelf

***Custom lengths are available subject to vehicle specification. Please contact VQuip on 1800 847 687 for a quote.**

Service Bodies

VQuip Service Bodies are designed to look good and quality protection for your equipment. The full tray Service Body has many optional accessories available allowing you to create the safest, most functional and best-looking work vehicle around. You can enhance the internal storage of your vehicle with our customisable shelving solutions.

Made to fit Single, Space and Dual Cab vehicles, our service bodies are manufactured from 3mm aluminium sheet. Powder coated to match your vehicle or to compliment any signage. A full range of available accessories allows you to create the Service Body tailored to your business requirements or to suit your lifestyle.

Full Body

Standard Features include:

- Flush floors for easy and safer loading
- Lift up doors on gas struts providing weather protection
- Large door openings for increased work space
- Recessed doors for added security and enhanced appearance
- 2.5-3mm Aluminium construction for reduced weight and added strength
- Heavy duty latching with 3-point locking for added security
- 3-year warranty

Open Centre

The Open Centre Service Body enables our customers to have the advantage of secure storage and an open tray area for more practicality and functionality, benefiting from the lockable and tailor-made equipment storage while transporting bulky items with ease.

Half Open Centre

The Half Open Centre Service Body maximises the open tray space, while keeping functionality and efficiency of side storage. Enjoy transporting bulky or heavy items with ease whilst storing your tools and equipment in secure and optimised lockable cabinets.
